Where in general is the focus for each of us

Bob, Randy – recreation. Randy – knowing what's in the town and what's available. Bob – if recreational travel can be made not dangerous. Ex: the 3-foot leeway for bicycles, a bike lane or shoulders on the road that are usable. Could we have walking trails during non-winter on snowmobile trails, or is that a right-of-way issue with landowners. We can find ways to work with other groups in town, ask what we can do for them.

Cindy – education, informing citizenry.

Bob reported that Dan Stewart of Maine DOT is scheduled to come speak with us in May.

Bob will double check with Dan Stewart to come next time

Cindy will call Randy to set up time to meet with Curt about the map and the tax-exempt list Herb has (about indexing)

Meeting was adjourned at 8:20pm.

The **next meeting** of the Monmouth Conservation Commission is Tuesday, **May 13, 2014** at 6:30pm at the Monmouth Municipal Office.

Respectfully submitted,

Cindy Parker, Clerk
